

INTERNATIONAL
CONFERENCE ON
NEW IN ARCHITECTURE,
DESIGN CONSTRUCTION AND
RENOVATION
«NADCR – 2016»
The III International Conference
(IX All-Russian Conference)

The Chuvash State University holds on
23 - 24 November 2016
III International (IX All-Russian
Conference) "New in architecture,
design construction and renovation
(NADCR - 2016)."

Cheboksary 2016

**Conference Program
Includes the following
Themes:**

1. Architecture and Urbanism.
2. Calculation and design of building structures.
3. Reliability, durability and design of the reconstruction of buildings and structures.
4. Monitoring of buildings and structures
5. Technology, Project Planning, Construction Management and Economics of buildings construction and renovation.
6. Geotechnics, soil mechanics and foundations for construction and renovation of buildings.
7. Energy Resources building.
8. Innovations in construction education

Conference Organizing Committee

Chairman: Oleg I. Markov - Deputy Chairman of the Cabinet of Ministers of the Chuvash Republic, Minister of Construction, Architecture and Housing and Communal Services of the Chuvash Republic;
Co-Chairman: Nikolay S. Sokolov, Dean of the Civil Engineering Faculty, Head of the Department Technology of Construction, Geotechnics and Economics of Buildings, Ph.D.;
Members of the organizing committee:
Denis L. Kuzmin, Deputy Dean of the Civil Engineering Faculty for Research, Ph.D.;
Svetlana S. Victorova, Deputy Dean of the Civil Engineering Faculty, Associate Professor;
Alexey N. Plotnikov, Head the Department of Constructions, Ph.D.;
Larisa A. Sakmarova, Head the Department of Architecture and design environment, Ph.D.;
Vladimir S. Vasiliev, Head of the Department of Thermotechnics and Hydraulics, Ph.D.;
Alexander G. Lukin, Associate Professor of the Department of Constructions, Ph.D.;
Tatiana V. Shchennikova, Lecturer of the Department of Thermotechnics and Hydraulics.

Scientific Committee of the Conference

Chairman: Alexey N. Plotnikov, Head of the Department of Constructions of the Chuvash State University, Ph.D.;

Members of the Scientific Committee:
Boris S. Sokolov, Professor, corresponding member of the Russian Academy of the Architecture and Construction Sciences (RAACS);
Vladimir T. Erofeev - Dean of the Faculty of Architecture and Construction of the Mordovia State University (NRU), Head of the Department of Building Materials and Technologies, Professor, corresponding member of the Russian Academy of the Architecture and Construction Sciences (RAACS);
Vladimir I. Rimshin, Deputy Director General of Concrete Institute for Research, Professor, corresponding member of the Russian Academy of the Architecture and Construction Sciences (RAACS);
Vitaly G. Kotlov, Director of Civil Engineering Institute of the Volga State University of Technology, Ph.D., Honorary Professor of the International Association Building Universities, Academy Advisor of the Russian Academy of the Architecture and Construction Sciences (RAACS);
Sergey V. Sergeev, Head of the Department of Applied Geology and Mining of the Belgorod State University (NRU), Professor, Academician of the International Academy of Mineral Resources;
Yuri L. Vinnikov, professor of the Department of Oil, gas and geotechnics of the Poltava National Technical University (Ukraine);
Sergey V. Borschevsky, Head of the Department of Construction of Buildings, Underground Structures and Geomechanics of Donetsk State Technical University, Professor (Ukraine);
Veniamin V. Mamutkin, Head of the Department of Architecture and Urban Planning - the Chief Architect of the City of Cheboksary, Academy Advisor of the Russian Academy of the Architecture and Construction Sciences (RAACS);

Ahmadjon D. Rakhmonov, Lecturer of the Department "Industrial and civil construction" of the Tajik Technical University named after Academician MS Osimi, Ph.D. (Tajikistan);
Orozco Perez Jose Marco, mining engineer-geologist (Colombia);
Sergey I. Ivanov, Senior Researcher of the Laboratory number 2 NIIZhB them. A.A. Gvozdev of the SRC "Construction", Ph.D.;
Alexander A. Isaev, Associate Professor of Department of Architecture and design environment of the Chuvash State University, Ph.D. Architecture.

Venue: Civil Engineering Faculty
of the Chuvash State University.

Conference languages: Russian and English.

Participation in the conference

To participate in the conference you should the application (form attached) to the Organizing Committee.

The articles are planned to be published. The articles are planned to be published. Articles indexed in Russian Science Citation Index, and will be published on the site <http://elibrary.ru/item.asp?id=24323801>.

Article and promotional materials should be submitted in Russian or English, printed in 1 interval, 14 pt font TimesNewRoman, of 3 to 10 full A4 pages in two copies, one of which is signed by the author (s). Fields - right and left of 15 mm at the top and bottom - 20 mm. Indention 0.7 cm on the left. Width adjustment Captions 12 pt. Numbered formulas that are referenced in the text. Print one-sided. When making a film should adhere to the following layout of the text:

TITLE (capital letters)
N. Surname (lowercase)
Organization, city, country (lowercase)

< text of the article >

References (example):

Plotnikov A N Computational model of grids and continuous floors with a ratio of a rigidity on a reinforcement on the basis of substituting a beamssystem. / Concrete Floors and Slabs. Proceedings of the International Seminar held at the University of Dundee, Scotland, UK on 5-6 September 2002. University of Dundee, Scotland, UK. Thomas Telford. 2002.

At the end of the paper the title, abstract (up to 10 lines) and key words in English and Russian languages, information about the authors in Russian and English languages (title, organization, email address).

The article should be sent to a file by e-mail with the text of the report in any version of Microsoft Word. The report is to be submitted as a single file with pagination, no hyphenation of words and font selections. Drawings and graphics in the "inset into the frame," Formula Editor «Microsoft Equation».

Applications for participation in the Conference and articles are accepted until **October 10, 2016**, inclusive. Material submitted to the Organizing Committee before the deadline will be included in a book of articles coming to the top of the Conference.

For publishing foreign participants must list the arrangement fee rate of 5 U.S. dollars per one page article.

Bank account details for the transfer fee will be transferred to participants by e-mail.

Please pass this mail to other interested professionals

Thank you for your interest shown to the conference.
